# 1. Logging In

To login: Go to the <http://neoshrsystems.com/> home page (figure 1). Enter your username and password, then click *Log in*.

**BROWSER NOTE** - The following browsers are advisable in the use of this system: Google Chrome, Firefox & Safari.

## Option 1: User Name and Password

- Enter the User name and Password you have been provided with and click on <log in>.

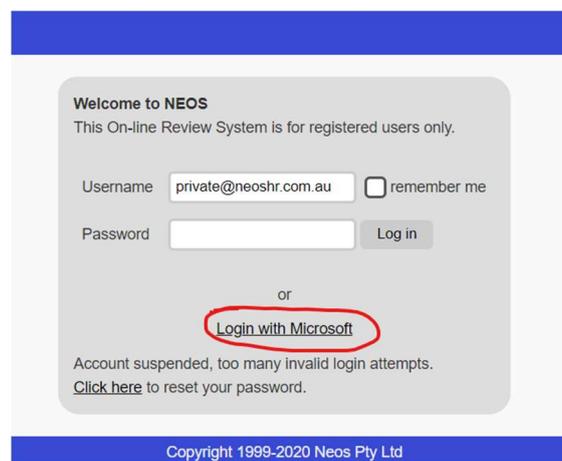

The screenshot shows the NEOS login interface. At the top, it says "Welcome to NEOS" and "This On-line Review System is for registered users only." Below this, there are two input fields: "Username" and "Password". A red circle highlights both the "Username" and "Password" fields. To the right of the "Username" field is a checkbox labeled "remember me". Below the "Password" field is a "Log in" button. Underneath the "Log in" button, there is the word "or" and a link that says "Login with Microsoft". At the bottom of the form area, it says "Please enter your login details." The footer of the page reads "Copyright 1999-2020 Neos Pty Ltd".

*Figure 1 Log in Using User Name and Password*

The **remember me** box creates cookie on the user device which will populate the user name automatically. It will not remember your password. Deselecting the box deletes the cookie immediately.

## Option 2: Single Sign On (SSO) With a Microsoft Account

- If you have an existing Microsoft account, you can use the SSO option instead of the Username/password option.

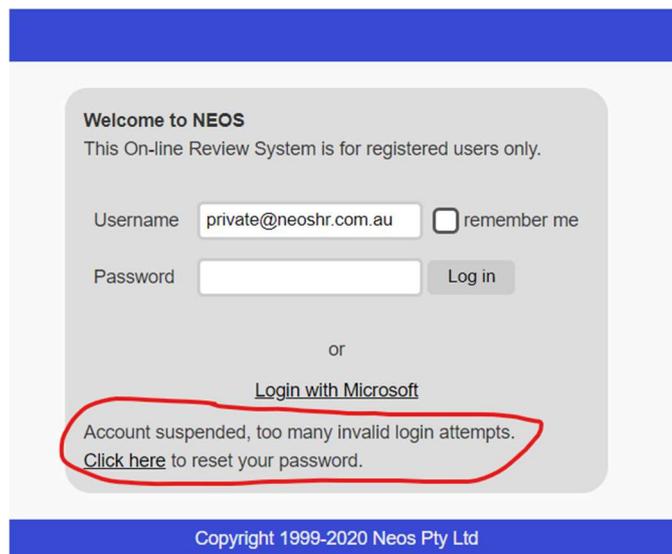

The screenshot shows the NEOS login interface. At the top, it says "Welcome to NEOS" and "This On-line Review System is for registered users only." Below this, there are two input fields: "Username" and "Password". The "Username" field contains the text "private@neoshr.com.au". To the right of the "Username" field is a checkbox labeled "remember me". Below the "Password" field is a "Log in" button. Underneath the "Log in" button, there is the word "or" and a link that says "Login with Microsoft". A red circle highlights the "Login with Microsoft" link. Below the "Login with Microsoft" link, it says "Account suspended, too many invalid login attempts." and "Click here to reset your password." The footer of the page reads "Copyright 1999-2020 Neos Pty Ltd".

*Figure 2 Log in Single Sign On*

## 1.1 LOGIN TROUBLESHOOTING, RESETTING & CHANGING PASSWORDS

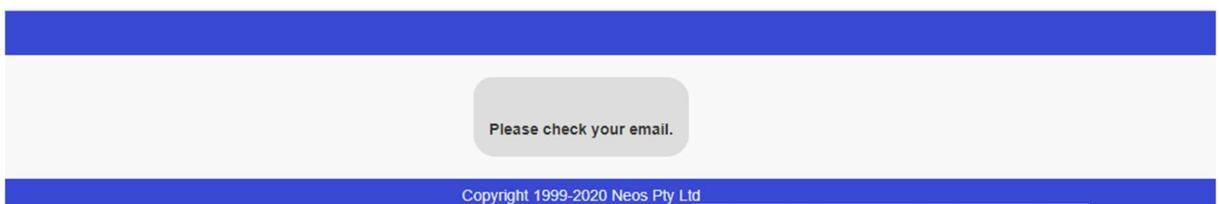

- You have 3 attempts to enter the correct password.
- If you wish to **change your password**, deliberately enter 3 incorrect passwords. The system will lock you out and send an email prompting you to reset your password (as the below steps illustrate).
- After invalid login attempts are exceeded you must reset your password. The following prompt will appear:

The screenshot shows a login form for NEOS. The form includes a 'Welcome to NEOS' header, a sub-header stating 'This On-line Review System is for registered users only.', and input fields for 'Username' (containing 'private@neoshr.com.au') and 'Password'. There is a 'remember me' checkbox and a 'Log in' button. Below the password field, there is an 'or' separator and a 'Login with Microsoft' link. A red circle highlights a message: 'Account suspended, too many invalid login attempts. Click here to reset your password.' The footer of the page reads 'Copyright 1999-2020 Neos Pty Ltd'.

*Figure 3 Resetting Password*

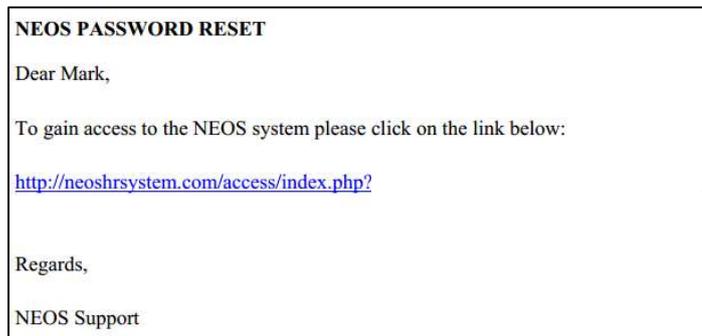

After clicking on the 'Click here' hyperlink you will see the following confirmation:

The screenshot shows a confirmation message in a grey rounded rectangle: 'Please check your email.' The footer of the page reads 'Copyright 1999-2020 Neos Pty Ltd'.

*Figure 4 Confirmation that reset process has cc*

- Your designated email address will receive the following message prompting you to reset your password via a new link:

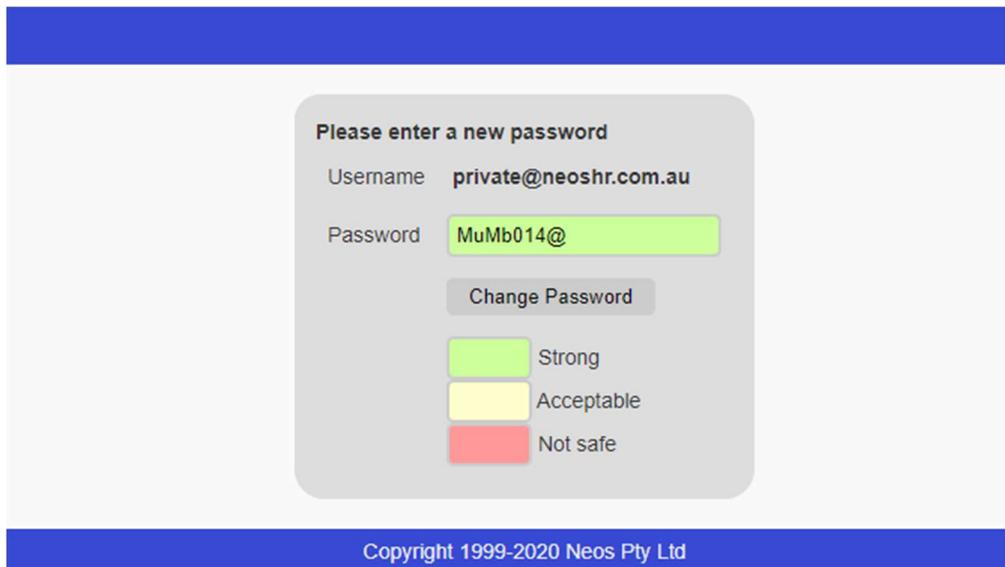

*Figure 5 Email to Reset Password*

- Clicking on the reset link in the email will redirect to the following screen:

*Figure 6 Resetting Your Password Screen*

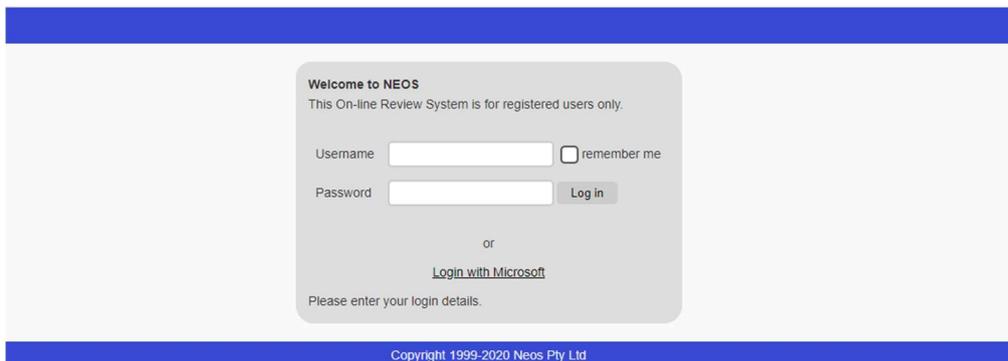

- Password strength is evaluated as you enter the new password. When the password is acceptable (i.e. contains at least one Upper case and one Character), the 'Change password' button will appear:

The screenshot shows a web form titled "Please enter a new password". The "Username" field is pre-filled with "private@neoshr.com.au". The "Password" field contains "MuMb014@" and is highlighted with a green background, indicating it is strong. Below the password field is a "Change Password" button. To the right of the button is a legend with three colored boxes: a green box labeled "Strong", a yellow box labeled "Acceptable", and a red box labeled "Not safe". The form is set against a light gray background with a blue header and footer. The footer contains the text "Copyright 1999-2020 Neos Pty Ltd".

*Figure 7 Example of Strong Password*

- You will then be redirected to the login screen. Enter your username and new password.

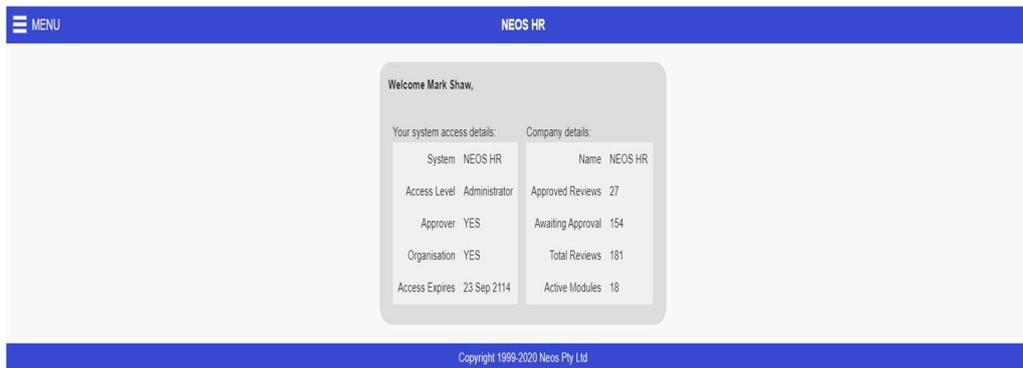

The screenshot shows a login screen titled "Welcome to NEOS". Below the title is the text "This On-line Review System is for registered users only." There are two input fields: "Username" and "Password". The "Username" field has a "remember me" checkbox to its right. Below the "Password" field is a "Log in" button. Below the "Log in" button is the text "or" followed by a link "Login with Microsoft". At the bottom of the form is the text "Please enter your login details." The form is set against a light gray background with a blue header and footer. The footer contains the text "Copyright 1999-2020 Neos Pty Ltd".

*Figure 8 Successful Password Reset*

## 2. Welcome Page

Once you have successfully logged in, the welcome page will appear (see below). The menu pane will fan out upon selecting the menu ICON  MENU on the top left corner of the screen.

*Figure 9 Home Page*

System access details indicate:

- Your access level
- Your approver status
- Whether you have an organisational chart
- Your access expiry date

Company details indicate:

- Your company name
- How many of your reviews have been approved
- How many of your reviews are awaiting approval
- The total amount of reviews you have conducted
- How many active modules you have access to

### 3. Menu Pane & Navigation

The menu pane allows you to navigate across the applications. You may also utilise the Search Bar featured at the top of the Menu pane to navigate, often if you already know your desired selection.

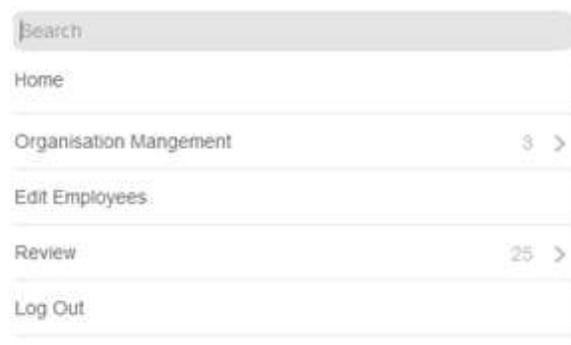

Figure 10 Menu Pane

The numbers on the right-hand side of the menu pane indicate the number of sub-items contained in each item.

**Note:** The type of items you have on your menu pane may differ to those that appear above, depending on what your user account has access to.

**System Time Out:** The system will time you out after 42 mins of being inactive. The initial log in page will appear and you will have to re-enter you log in details.

**To go back a screen:** Click the [back] arrow on your browser.

### 4. Conducting a new assessment

1. To conduct a new assessment, select 'Review' on the menu pane.

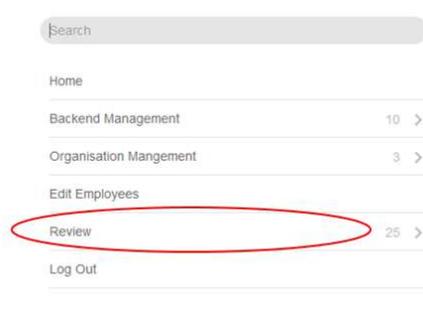

Figure 11 To Select Review Option

2. Select the desired assessment.

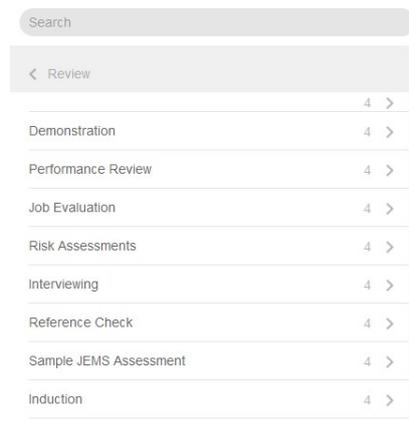

Figure 12 – List of Assessment Options

**Note:** Your options in Review will differ depending on which assessments your user account and licence agreement has granted access to.

3. Select 'Add New [assessment name]' to start conducting the new assessment.

Figure 13 To Select New Assessment this example Performance Review)

A screenshot of the 'NEOS HR' system interface. The main heading is 'Create a new Job Evaluation'. The form contains the following fields: 'Position number' with the value '123', 'Position title' with the value 'Human Resources Officer', 'Award' with a dropdown menu showing 'Local Government Employees', and 'Stream' with a dropdown menu. The 'Stream' dropdown is open, showing options: '\* Select Stream \*', 'Gangers', 'Labourers and Others', 'Plant Operators', 'Theatre Employees', and 'Treatment Plant Operators'. The first option, '\* Select Stream \*', is highlighted in blue. At the bottom of the page, there is a copyright notice: 'Copyright 1999-2020 Neos Pty Ltd'.

Figure 14 To Select Required Option

4. A details page will appear in which you must make the relevant entries and drop-down menu selections. Click 'Submit' to proceed.

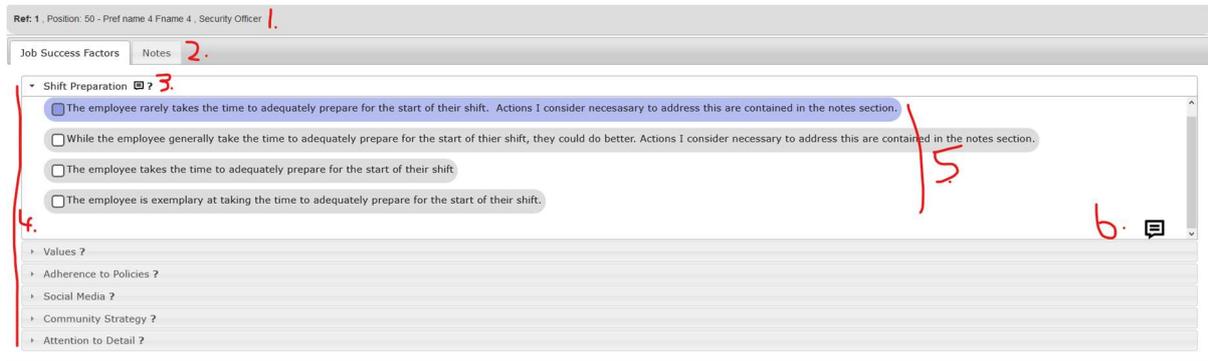

Figure 15 Details page. Performance Review Example

**Note:** A slight variation of the page may appear depending on the type of assessment being undertaken.

5. The Assessment will now appear:

**Note:** Depending on the type of assessment, the layout will differ. However generally, the key aspects of the screen are:

1. Reference details

The assessment seen above details the reference number and appropriate name and/or or identification number and stream name.

2. Category tabs

These feature below the details bar and contain the groupings of elements. Simply click the various tabs to move between categories (listed left to right).

3. Explanation of Key Measure

Not used for assessment purposes. Included to assist the user gain a clearer understanding of measurement item under consideration.

4. Elements/Characteristics

These feature within the categories and contain multiple levels of information (typically, criteria descending or ascending in scale) for you to select. Simply click the various drop down tabs to move between the elements (listed top to bottom) and to reveal the levels.

## 5. Levels

Choose the most appropriate level by reading all of their descriptors and clicking on the checkbox or anywhere on the Level area. A **green square** (Chrome, Firefox) **OR tick** (Internet Explorer) should appear on the left of your selected level. The element name will **BOLD** and **turn green** to indicate a selection has been made. See an example below:

6. To make a comment select the Comment ICON  that appears on the bottom left corner of each element. You can make comments within every element. The dialog box below should appear:

Figure 16 Adding Comments

Click 'save comments' upon completion. These comments will be seen by the person who can approve the report and will also appear in the final reports.

The comment icon  will appear against the element name to indicate your comment has been left. See below:

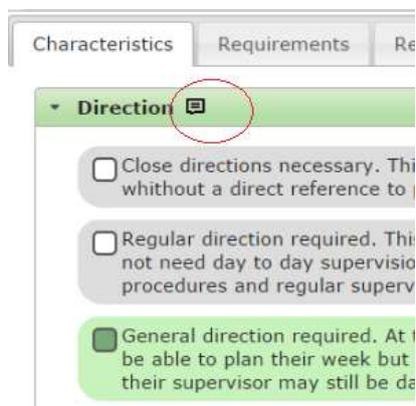

Figure 17 Add Comment to Specific Key Measure

## 7. Complete Assessment:

The **Store Record** ICON should appear on the bottom left corner once the assessment has been completed.

If **'Store Record' DOES NOT appear**, this indicates your assessment is incomplete and you may have missed one or more selections.

If an element name is **NOT bold OR GREEN** - this indicates a level selection has NOT been made.

## 8. Report Generated:

The screen below will appear upon the storing of a record. It is a list of all assessments made for the module. The assessment you have just completed will be the first in the list.

**Note:** The options featured in the above screen shot will vary according to your licence agreement. For example if your licence agreement grants you 360 degree feedback or trend reporting options. These names (i.e. 'Trend Report') will appear in lieu of the labelled 'Classic' or 'Classic no legend' etc. options.

3. Select your report - it will download as a PDF file.

**Note:** Reports will bear a **DRAFT** watermark if it has not yet been approved (also indicated by a white square in the 'approved' column of the list above - i.e. last column). You can only approve if you have an approver user status. See your System Administrator to clarify or change your status.

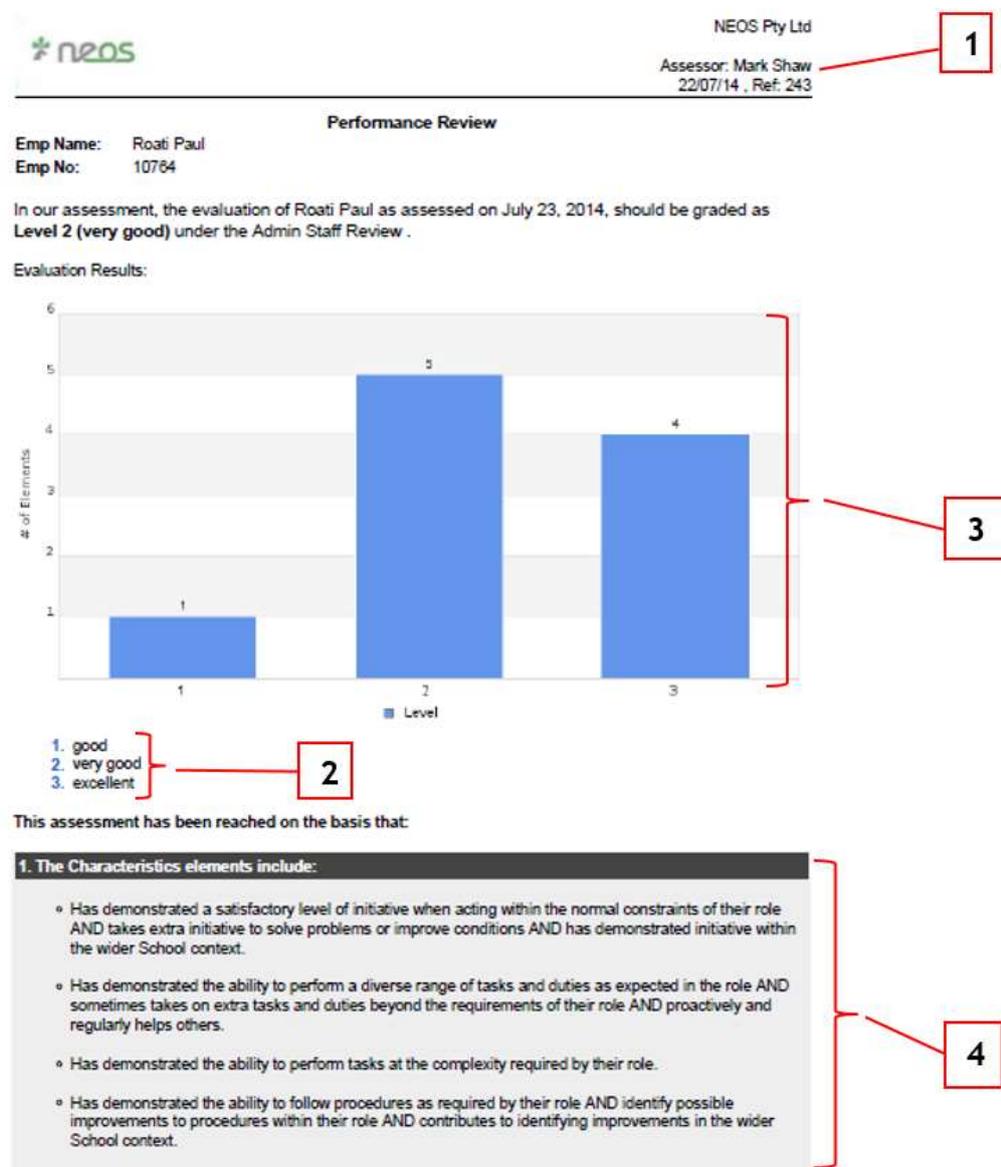

Figure 20 Sample Report. Performance Review

The figure above shows a sample report for a Performance Review.

This report contains the following detail:

1. The date the assessment was made and its unique reference number
2. A key indicating the meaning of each numbered level
3. A graph, indicating how many elements were rated at each level
4. Word descriptions of each level selected. Usually in summary form.

**Nb:** Any notes made by the assessor will appear report

This report can then be printed, saved under a general directory of an electronic management system or emailed. This document should be stored/processed as per your company's policies.

You may also access these reports later - see 5.1 'View Reports' p.12

Note:

Once a report is approved three actions automatically occur

1. The “Approved” indicator on the history records (See figure XX is highlighted.
2. All future reports are printed without the “Draft” watermark AND will now include an additional sentence as follows:  
This record approved by <name of user who approved> <position title of person who approved> CEO <date approved>
3. The record is “Locked”. No further changes to the record are possible.

## 5.4. To Print a report

1. Complete steps in 5.1.

2. Click the report to highlight it yellow. You may filter the results according to the filter options featured on the top rows.

3. Select the Reports ICON . A dialog box (Figure 5.2) will appear containing the report options. (see 4.8 for more information re: Report)

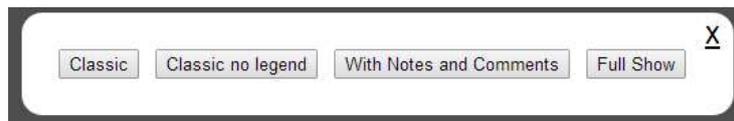

Figure 33 Report Options (Often only 1 option available)

This will generate the report in PDF format. From here you may print the report as per your settings.

**Note:** The options featured in Figure 5.2 will vary according to your licence agreement.

The type of security access will also limit records available to you to review and print..

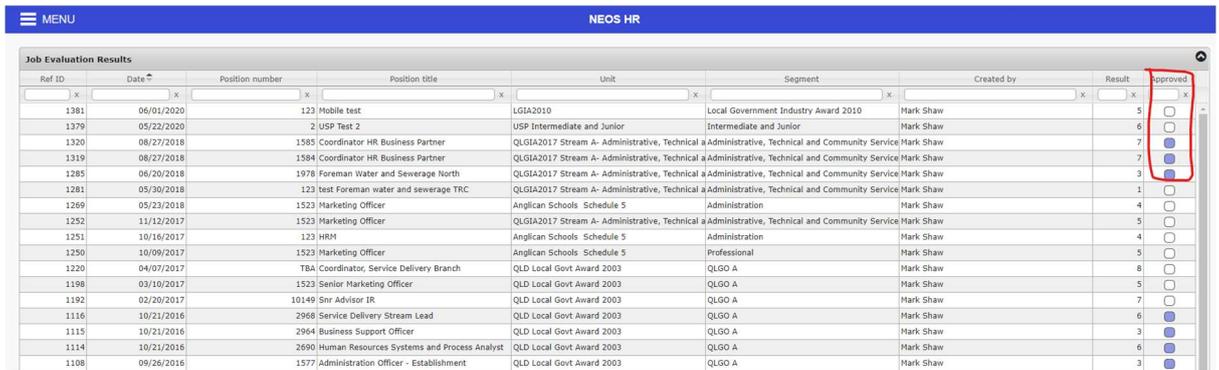

4. Select a report - it will download as a PDF file.

**Note:** Reports will bear a **DRAFT** watermark if it has not yet been approved (also indicated by a white square in the ‘approved’ column of the list - i.e last column). You can only approve if you have an approver user status (see 5.3 below).
